Can't Help Falling in Love

Elvis Presley

Capo II

Vous pouvez jouer ce morceau en arpège pour coller au piano original (6 notes par accord)

Intro: C G Am C G (quid du G??)

1. *C Em Am*
Wise men say, "Only fools rush in"

But I can't help falling in love with you

Shall I stay, would it be a sin?

If I can't help falling in love with you

Like the river flows

Shortly to the sea (surely ?)

Darling, so we go (so it goes ?)

Some things were meant to be (are meant ?)

2. Take my hand, take my whole life too

'Cause I can't help falling in love with you

3. Take my hand, take my whole life too

'Cause I can't help falling in love with you

'Cause I can't help falling in love with you

But I can't help falling in love with you
